

Hi! We're Donovan and Jennifer and we adopted through Beacon House Adoption Services. Throughout our marriage we've had a dream of adoption. After many years of being unable to conceive a child, the Lord led us to

Beacon House. We were amazed with how quickly we were matched with a birthmother and before we knew it, we were holding our precious baby in our arms. We are now the proud parents of our sweet little boy, David. David came into our care when he was just five days old and we are so honored to have had the

opportunity to grow together as a family from the very beginning. Our lives have been so enriched with the blessings of adoption. Looking back on the past year, we would not change a thing. We are so excited to finally be able to say that we are a happy family of three! We're already talking about our next adoption. It has been such an amazing experience that has brought us so much joy and fulfillment. We can't wait to see how God will bring our next child into our family. Thank you, Beacon House, for all of the help and support you have given us along the way and for turning our dream of parenthood into a reality. Our lives are forever changed!
