

MATT AND STACEY

Hello! We want to thank you for taking the time to look through our profile. We feel so honored and thankful that you are taking the time to get to know about us. We hope this book gives you an idea of what life for your child would be like in our family. While we cannot even begin to fathom the overwhelming task before you, we do want to tell you that we admire your courage and your commitment to give your child the very best possible life. We also want to assure you that should you decide to choose us to raise your child, he or she will never doubt your love. We hope that no matter what choice you make, it gives you peace and happiness. Thank you so much for your time.

ABOUT US

We met through a mutual friend and our friendship grew into love. We were married in 2012. We love to laugh and smile and we do our best to see the silver lining in every situation! We believe in being best friends and we believe in family – we are looking forward to adding a child to that group!

MATT

I grew up in Texas with 4 brothers and 2 sisters. Growing up I loved all sports, including baseball! I joined the Navy when I was 18 and when I got out I joined the National Guard. Now, I work as an instructor in the Guard. I can't wait to share a new adventure with a child and see the world through new eyes!

STACEY

I grew up in Indiana with 2 brothers. Our family moved south when I was 18 and I started working as a nanny. Eventually I started working as a preschool teacher and got my associates degree in early childhood education. I can hardly wait to bring a child into our home and experience all there is of parenthood!

We have two pets – Spartacus, a 4 year old dachshund/chihuahua mix and Mr. Whiskers, a 2 year old sweet kitty.

OUR EXTENDED FAMILIES

We are close to our families and love spending time with them. We love to visit and have them visit us. We make it a point to get as much family time in as possible.

Thank you for considering us – if you want further information, please contact 1-888-987-6300 and ask about Matt and Stacey!
